PREFACE

IN the following list an attempt is made to collect the names and to indicate briefly the careers of Aberdeen Alumni who have studied at Oxford or Cambridge. The information supplied by the University Calendar regarding such students does not go back further than 1861, and is limited to graduates in Arts with Honours. In what follows the list is carried back to the 17th century, and some minor details have been introduced as having an interest of their own, though they would have been out of place in a document of the nature of a University Calendar. It will be observed that for the sake of completeness there have been added the names of several Alumni incorporated M.A. at Oxford or Cambridge between 1579 and 1696.

The compiler has to acknowledge his indebtedness to Mr. P. J. Anderson's *Alumni of King's College* and *Records of Marischal College and University*; to Col. Wm. Johnston's *Roll of the Graduates of the University of Aberdeen, 1860-1900*; to Foster's *Alumni Oxonienses*; and to Addison's *Snell Exhibitions*. He has also to express his gratitude to Mr. J. A. Venn, of the Registry, Cambridge University, for much useful information; to Mr. G. F. Cox, for assistance in searching records; to Col. Wm. Johnston, C.B., of Newton Dee, for reading the proofs and for profitable

suggestions; and above all to Mr. P. J. Anderson, Librarian of the University, for never-failing help and counsel.

J. HARROWER.

KING'S COLLEGE,
OLD ABERDEEN.

NOTE.—The contractions *Al. Oxon.* and *Dict. Nat. Biog.* stand for Foster's *Alumni Oxonienses* and *The Dictionary of National Biography* respectively.

In cases where a name is entered in the following list as M.A., but is found without a degree in Anderson's *Alumni of King's College* or *Records of Marischal College and University*, the compiler's authority is Foster's *Alumni Oxonienses*.
